

• Indravati + Narangi

• Narangi river k kinare kondagaon  
named city h.

• Yah river kondagaon district me  
makdi gaon se nikali h & south  
direction me behti h jahan pr  
chitrkot waterfall k pas jab yah  
indravti ko join krhi h toh isi  
water overflow ki wajah se G8Jabla

widest waterfall banta h. Isko gka  
nigga bolte h.

Note: Narangi ki ek subsidiary river ka  
naam markandi river hai.

Yahin chitkot ke pas nadayangal  
ek jagah h jahan famous vishnu temple  
jo ki indarati's narangi ke meeting place.

- Shankhini & Dankhini rivers
- Dankhini & Shankhini me dankhini badi river h jabki Shankhini choti aur subsidiary rivers h.
- Shankhini ka origin bailadills<sup>ahi</sup> se h.
- jo ki basically apne iron ore mines ke liye bhi famous h.

Shankhini ka flow isi ironore  
mines area se h jiske karan ki  
pani me iska iron ore content  
mix ho jata h. iske karan iska  
color blood ki farah dikhaye  
padta h isilye isce sakhtfaab nam  
se jana jata h. Ye g hi most  
polluted river h.

Dankhini river →

• Dantewada river ka naam Dantewada

iske origin area Dangri Dongri

ki hills se h. (Dantewada district)

• Dantewada ke pas me Tarala naam

chota sa gaon h yahan par in

dono rivers ka meeting pt h.

• In dono rivers ke meeting pt  
or famous danteshwari mata mandir h.

• aage chalkar dakhini river  
indravati river ko join koti h.

27 Aug 2025

• Indravati ke kinare dantewada me  
Garsur & Bijapur me bhopal patti am.  
basa hua h.

• Shabri river

• ~~Matu~~ Matu shabri k naam pr

shivnarayan nam ek shabri basya  
gaya h lekin is shabri river ka  
flow shivnarayan me nahi h.

- Indoarati ki hi tarah sabri ka origin jg se bhag orissa se hua h.
- Shabri ka origin orissa me kodput district k pas nandpur parvat se h.
- Wahan se shabri nikal kar first basra

me behti h baad me south  
dir me ~~enter~~ turn kr sukhma  
me behti hui AP state me  
kunawaram k pas godavri ko join krti.

• Shabri ka purana naam  
colab / kolab river h.

• Shabri length h 113km hai:  
jisme se 36 km pas sukhma  
ke karta se lekar AP ke kunawar amth

water transport ki facility h.

- Shabri river me sand particles & saath gold particles bhi milte h. Bodavri drainage system ki aisi yeh ek matr river h (AIMS shahn Amnes 96 Maini)

- Kanger river shabri ki ek subsidiary river hai iska flow ek NP premise me hone karan best

me located us NP ke naam

hi kanger valley NP rakh diya gaya h.

• isi NP premise me ek aur  
deosri river jiska naam

Munga bahaar ki thi flow

h jo kanger ki subsidiary aur  
hai.

Isi mungabahaar river ka  
pani overflow through water  
fall create hota h jo officially

eg ka higest waterfall h.

• bhaishadashha kanger river  
ke pas ek spot h jahan po  
naturally crocodile ya mayarmach  
paye jate h.

• kotri river

• Kotri is a subsidiary of Indravati

• Paralkot isi ke kinare basa

huq h

• localites is e paralkot river bhi  
kehte h

• iska origin Mohla manpur se  
manajata h.

• Yah south direction me

135 km behti h aur bijapur  
paas joker indravati aur ko

join ko leti h

• Ye CG ke 4 districts

me behti h, MMA

2 knkr

3 Nsp

4 bjp

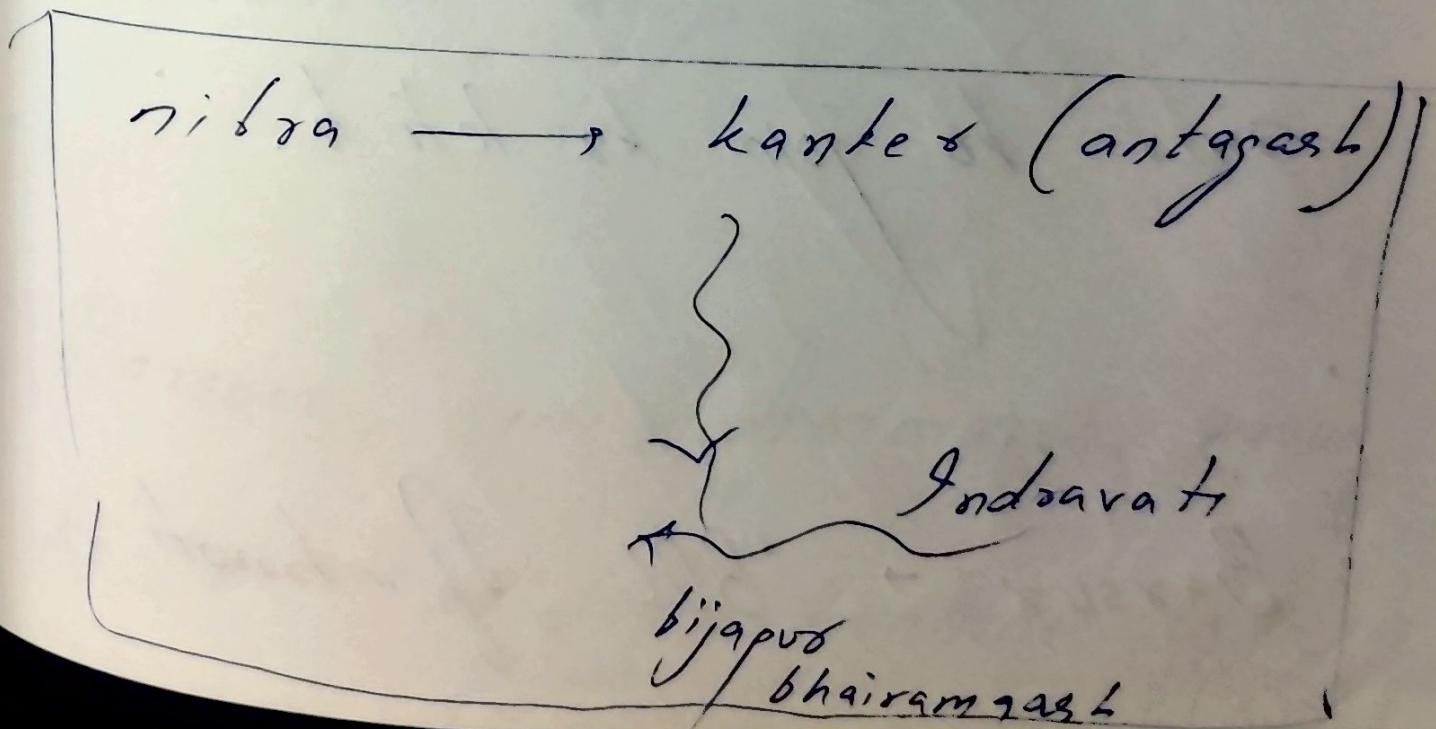

• Note paralkot ka rebellion

• In history me hua ek major

event tha jo isi area ke hinde

## Nibra

• Kanker district me Antagash ke  
passe originated h jo ki  
Bijapur zille me Bhairamgash h  
pas jkaa Indavarati river se  
mil jati hai.

- Boodra
- Boodra ka origin narayanpur district me abujhmad area <sup>se</sup> hai.
- Yah aage chalkao dantewada district ke barsoor me indoavati river ko join kar leti h.
- Barsoor → BOC of indoavati

indarati ka flow Dantewad me  
h isi indarati ke back side  
pt Barsoor ek historical locn h.

Barsoor g me bastar area me  
Shashan kone wale chindak  
sayvanshi kings ki capital bhi thi

Barsoor me dharavarsh naam  
ke ek raja the unhone apne

minister / samant chandraditya  
ke through development ke  
kai kaam karaye.

Inme se kuch kamo ko  
chandraditya ne apne naam se  
credit bhi diya.

↳ chandradityeshwar <sup>mahadev</sup>, " mandir  
" " Sarorar (talab)

3 Baftisa temple (dedicated to  
Shiva)

4 Mama bhanja mandir (dedicated to)  
Shiva

5 Ganesh Mandir (twins ganeshas)

Bordig river

iska origin kondagaon zilliech.  
lekin kondagaon bordig ke kinare  
bas a hokar ~~maran~~ ke kinare h

• Borodig indoavati ki subsidiary  
jo Bodhghat me indoavati ko  
join kar leti h (district dantewada)

• Bodhghat project

• Indravati river par dantewada  
Zille me yah parsiyogna h

• Iska naam Indravati me milne

wali ek fish ki variety  
"loodh" ke naam par <sup>Jaakha gaya</sup> hai.

yah ek multipurpose project h.

jisse poore bastar drsn me  
irrigation facility ka expansion kiyा  
jana h aur 300 MW ka  
hydel power project bhi lagaya  
jana hai.

Pehle iski capacity 500 MW ki decide ki

gayi thi bad me ise  
reduce kiya gaya.

• Chintawagu river

• Chintawagu ka origin bijapur  
district me kudar ke paas h.

• Bijapur district me hi bektibhi  
isi bijapur zille me hi yah

indoorati ko join kr leti h.

Note kuttu game sanctuaries

indravati NP premises Bijapur me h

Taalperu (not a subsidiary of indravati)

Taalperu river na toh chintawagu  
ki subsidiary h na hi indravati li  
subsidiary h balki yah directly  
godavari mere ko join kahi h  
isiliye yah godavari ki subsidiary  
manj jati h iska flow area bhi  
Bijapur district hi h.

## Malegar

- Malegar ka origin dantewada district bailadila hills se h. jo ki dantewada & sukma me behbi hui shabri river me ja kr mil jati h.
- Isi malegar pr sukma district ne malegar ihdu waterfall h.

is river ko cross Lake <sup>naxal</sup> cg & South India  
ke beech movement krti h.

# Mahanadi Drainage system

- Intro: Purane samay me shringi rishi ka ashram sihawa ke pas tha. Yatin Saraswati gaon se mahanadi ka origin manajata h.
- Iska naam shringi rishi ne apne ek student mahananda ke naam pr okha tha.
- Mahananda ke naam pr okhe is mahanadi ka evidence satyug & dwapar yug me bhi miltah
- Evidence ragu praoan me miltah h jahaan ise nilotpala river miltah.
- Iski dwapar yug me is river ka evidence

Skand puraan me miltah jahan ise  
chitrotpala bataya gaya h. (CG film city bhi h)

• Isi chitrotpala ke naam par CG govt ne  
ek filmcity develop karne ka plan kiyah.

Mahanadi CG ke plain area me bethi h  
jiske kaaran ise CG ki ganga ya CG ki  
lifeline aur bhi kabha jata h.

Vishnu puraan me is river ko rishi se  
compared karte hue rishitulya kabha gaya h.

Wahi is river ka ek aur purana naam  
kanaknandani bi bataya gaya h.

- Yah Ch & Odissa k beech boundary create karte behth h. Ch & odissa k beech iske water distrib' ko le kar conflict bhi h.
- Odissa ke bargarh me mahanadi pr 1948 me heerakund dam banaya jana start kiya gaya jo ki india ka longest dam h.
- Yah project 1958 me complete hua.
