Minerals

• Intro

is country ka ek aisa state h jahan almost all types of minerals milte h. kuch rare minerals bhi milte h. Lithium Tin Bso on

• iska biggest reason h, is ka Jharkhand orissa ke saath boundary share krta h.

• Jharkhand Orissa & Bengal jointly CNP plateau ka part h jise minerals ka box name se

bhi jana jata h iska effect
(expansion of CNP) — j me dekhne
ko milta h.

Importance of minerals

• from human pov → day to day life me
in minerals ka importance dekhne
milita h isse human life smooth aur
easy ho jata h.

• from gov pov → central ya state govt ko
apni policies aur public welfare k lie

funds ki zaroorat hoti h. kisi
govt ki revenue genern ka ek bada
hissah inhi minerals se ata h.

• for industries ^{pov} → Industry ka development
by default in minerals pe depend
karta h jis area me jo minerals easily
aur zyada qty me milta h us
area ke aaspa isse related industry
ka development hota h. Eg BSP
— nearby iron ore mines; Bauxite/aluminium base

industry of ke korb me - nearby
availability of bauxites.

Cement industry ka max der BB me
h reason max availability of Limestones
in nearby sites.

- ^{Ch me} Kitne minerals milte h; kitne nikalte h?
- Ch me minerals → Ch me almost

^{20%} 28 types ke minerals found out kiye
gaye h but somehow inme se sabhi
minerals ko mines area se bahar
nahi nikala jata. logicall keral 21 minerals

hi aise h jinko govt ne mineral
production list me show kiya h.

• Ch me milne wale in minerals ko

do alag² category me bata gaya h

1 major minerals / main

2 minor " / other minerals

• Major minerals me coal/iron ore/bauxite/tin
/ diamond etc h.

• Minor minerals me constn site me use
hone wale min jaise mvum/faosipathar/sand/^{sox, granite}mitti
etc h.

- Limestone kaisa h? / kaunsa mineral anomaly h?
- Ch me Limestone do aly

quality ka milta h ① high

grade Limestone jahan major

mineral mana gaya h wahan

low grade ka Limestone minor h

⇒ Limestone ko major aur minor dono maante h

- DMF → Ch state govt ne DMF

(district mineral fund) officially

known as district mineral institute trust

ka formation kiya tha iske liye
bakayda ek official notification nikala

gaya tha

• kab DMF notify kiye?

① Date of Official Notification 22nd

Dec

2015

22/12/15

• kab DMF effective hua?

② effective date - 12th Jan 2015

(from backdate) 12/1/15

• DMF fund ka use unko compensate

krne me kste h jo mines area k
pas rehte h aur unki life directly ya indirectly

iski wajah se hamper hoti h.

- DMF ke use ke rights collectors ke paas hote h jo by default iska adhyaksh bhi hota h generally iska use health, educn, agri, water, nutrition, & so on tareeke se kiya ja skta h.
- DMF me max kitn paisa rkh skte h.
- Creation of DMF fund $\rightarrow$ minerals se milne wali revenue ka ek hissa (^{1%} max upto 30%) aur aise ye fund create hota h.

• Diff agencies → eg mineral resources
ka use krne ke liye eg me kuch
major agencies h.

• Secl formn year?

• ² SECL → coal india Limited ki hich

Ballot paper

1 CG Pra elections erom se

conduct na kara kar^{blki} ballot

ppr se karaate h jisme in

general 2 columns hote h

1 first column for name of
candidate

2 second column for symbol

candidates k naam hindi
me likhe jate h lekin unka
base hindi to english translation
hota h

symbols SEC. dwara a1b1 f
kiye jate h jo kinhi bhi
do candidates k liye kisi bhi
condition me same nahi honge.

Shapat patra/ affidavit dete time
candidate ko apna naam hindi/
english me bhi dena padta h.

Points to be remembered

kuch log nam ke saath adas soochak
shabd bhi lagate h / respectful words.

jaise Lohan, Choudhary, Raja, Thakur
Kunwar, Mahant

iyadi aise words aaye before
(name) toh unhe ignore kote h

kuch log apna naam se aaye apne
profession ko batane wale word
use kote h. j. pandit,
acharya, master, yogi, professor,
vaidya, hakim. ignore kote h

kuch log apne naam ke sath apne
education qualification ka use kote h
B.A., D.A., etc inko ignore kote h

kuch log apne naam k sath
apne profession ka rank mention

karte h Eg police wale Inspector
Phalan
Dimkhana.

kernel Major Lieutenant Jawaan.

in general namo ki spelling algh
ho skthi h eg

9/4/23 (Deepak Likh sketch
Dipalk

Lekin yadi kisi ne intentionally
kisi ne apne naam ki spelling
isilke chng ki taki uska naam
ballot ppr pe upar dikhe to
use ignore / reject krna pade
toh use reject par agar
usne valid doc. proofs
diye he adhar pan 10th
mksh etc toh use accept
krna padega.

Dr Manmohan Sharma.

kuch log apne naam me
initial letters ka use kote

h jaise pyarelal Singh P. L. Singh

Sunder Lal Sharma → SL Sharma.

Doman Lal verma → DL verma

aise case one initial alphabets
abbreviated ones
to ignore kote h.

toh is case me SL Sharma
PL Singh
DL verma.

aise case me initial letter ignore
hote h aur names ka arrangement
surname ke basis pr kote h

BUT

kyon ki surname common h do candidates
ke toh unke initial letters ko ignore nahi
krt but naam ka aur prmt initials ke basis pr kote h

eg DL Verma $\Rightarrow$ DL ✓
PL Verma PL ✓

kuch log apne surname
ko naam se pehle likhte
h jaise Sharma Deepak.

Verma Anil. Thakur ~~abhishek~~ abhishek

toh iss situation me name
ke arrangement ke liye

Surname ko base mang jate h.

Additional points

Silent letters ke case me

bolte samay jaisa letter
ko ignore karte h lekin
likhte samay isko ignore nahi
karte jaise "chit", hritik,
kshama,

kahi bas do logo ke naam
common hote h.

Cond'n I Name common with same
Spelling Like Anil & Anil.

Cond'n 2 same same but

different spelling

Anil & Anel

Dipak & Deepak.

Nidhi / Needhi

yadi do logo ka naam same h

dono ki spelling same h

for vs case me Father ke naam

ko consider krke list krate h.

agar Father kisi reason se

Father ka naam bhi same ho

toh gaon ka naam ya
profession ke naam ko base
mana jata h.

kabhi bhi naam ki spelling
generally middle letters me
different ho shti but
naam ke initial letters
uncommon fareke se
likhe jaye toh use except
nahi kiya jata untill unless
us naam se koi valid doc proof
nahi.
