Agriculture in g

∴ Primary sector

Primary sector = Agr + Allied
Services

As we know g me agriculture
krne wale har vyakti k pas
khud ki zameen nai h.

Agar kisi k pas hai thi
toh wah saal bhar us
land se life survival k lie
capable nai h.

Aisi condition me govt ne
aise hi logo k lie allied
Services ka concept diya
tha jiske tahat logo ko
kheti k sath² animal husbandry

I fisheries ke lie motivate
kia gaya it means kheti
layak land k ek chote se
hisse me kheti k sath²

animal husbandry ya pisciculture
bhi kr skte h.

fisheries →

State govt ne fisheries
me production promote

kone g rajya matasya
Sangh 1996 ka

formation kiya.

Fisheries me production

bhadane india me blue

revolution kiya gaya tha

jiske good results mile.

lg me fisheries pr
research krne state ka ekmate

govt college ka wardha me
start kie

jiska naam ~~Po~~ nam Nishad

ke naam pr dedicate h.

Wahin fisheries polytechnic or diploma
college (Durgam) dharmadha
pandharpur or village me b

ye dono institute
panjoradurg ke

ad kamdhenu uni ke se
affiliated h.

generally in me rainy days
me ponds river ya
canals se machli
nikdhe par ban h

kyonki rainy months machliyon
ka fertilisation period

Facts ① Machli seed
production me
all over india

rank 225th

② Machli utpadan me
all over india
rank 266th

State govt ne
fisheries production ko
improve krne ki bilasa

bai kartin ki prize

declare kiya h jiske

tahat har saal kisi

ek person ya organish

ko 2 lakh ki prize dete h

for 2025 this prize
goes to —————

As per sport data by me
fish production k tie available
total water area:

2.032 lakh hectares

state govt ne

in mse se approx

97.24% land ko

use krte hve

1.976 lakh ha area

me fisheries production

ko successfully run

kiya hai.

Animal husbandry

Ye me animal husbandry

ka use logo ki income badhane

ke purpose se krte h

kisi bhi animal se milk.

as a product milta h.

India ke world ka ek

aisa desh hai jo milk prodⁿ
me #1 hai.

• G me milk par research
kame ke por se

1983 me apne

milk paradiogiki uni

Start kia.

• G me milk products

to market provide

karane ke por se

ek coop society

establish kī jiskē devbhog??

k naam se jante h.

MP government me ye

Sanchi k naam se jante h.

is sanchi se devbhog

hone me 11 fall lag

gayeen gani 1120 11/12 me hug

lg me animal
husband promote

kme s. gov n e
apne level pe kai
efforts kie h

iske ta ha t state ke

alay² areas me

animals se related

fertilisation center establish

kic gaye h.

me open karna proposed h

jiska main reason bnetara

ka sugarcane production

me rank 2

hona hai.

	Max boyajana	Max pooda
food grain	dhaan	Odhaan 44
pulses	Chana 33	Chana
oilseeds	Rai sarso 44	Moong Falli 44

Production per

Top 3	top 3	top 3
food grain	pulses	oilseeds
① dhaan	① Chana	① Mongfalli
② Macca 44	② Lakhtinda	② Soyabean
③ Moong / Ghu	③ Urad	③ Rai Sarso

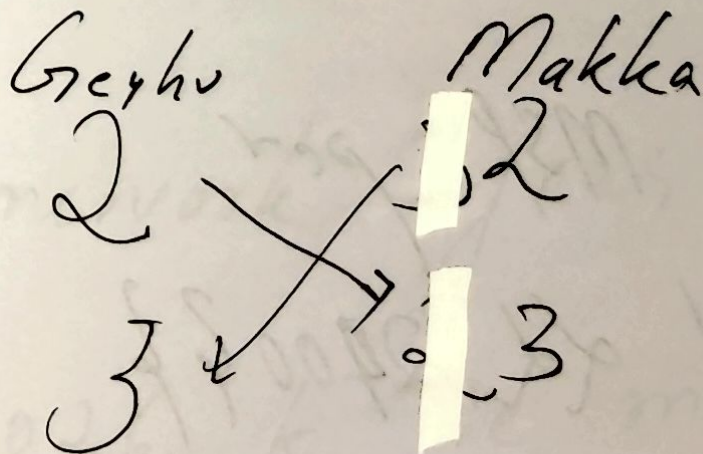

Maaka vs gehu vs dhaan

In me foodgrains me
ye 3 fasal mainly
grow kie jate h.

Area ke according
dhaan k baad biggest
area me gehu ki fasal
lagate h jabki

maize third largest
area me bogi jane wali
crop hai

jabki production ke
samile me gehu & maize
ka rank interchange ho
jata hai.

Macca

G me dhaan k
saath saath macce
ki kharreedhi bhi MSP
pe ki jati hai:

for year

2025-2026

macce ka MSP per

quintal Rs 2400/-

rupees hai

jo ki last year ₹ 2225

rupees tha

it means last year
he is 399 / ₹ 175 rupees

per quintal ka growth
hwa hai.

Irrigation

In me most of the time monsoon based agriculture krte h approx 75% of hisse me wheat cultivation ki jati hai jisme red yellow soil/mateasi ka use krte h. is mitti ki water holding capacity kam hone ke karan alternate days pe isko pani chahiye. In case monsoon fail hua toh aisi condition me agr me kheti kharab ho jati thi iska directya indirect impact agr economy me sekhne milta tha.
