1857 ki revolt ke various reasons the

jaise 1 social
2 economic
3 religious
4 political
5) military

Economic reasons

- Drain of wealth theory by Dada Bhai Nairoji - Grand old man of India
- 1862 me poverty the unbritish rule in british india

DBN ne drain of wealth

ke principle ko samjaya

jiske anusar india ka economic

expoitation ho rahu tha jiske

badle me india ko special economic

income nai milrahi thi

is book me DBNe indian

ke income ka calculation

kiya jo 2.2 per person

per year tha jo bhot kam

Sath hi saath aisi

british policies jisse indian

agriculture, indian traditional

industries jaise hand wheel ka

patan declineHota chala gaya.

tobacco, indigo, cotton jaise

cash crops ka forcefully

kheti karwaya jana.

Sath hi sat permanent settlement

jamindari, land auction & sunset

law jaise laws ne india me

landless labours banaye ⇒ krishi se

related activity jo grameen

India ki economy thi poori

tarah toot gayi.

India se export kiye jane wale

samaan par british policies ke

anusar 70% tax lagta tha jabki

britain se import par 2% tax

lka aisa kane se indian

business demotivate hua.

Political causes for revolution of 1857

British expansionist colonial policies jiske antargat alag² governors ne alag² policies ke tahat territory expansion kiya ata jaise (1) Wellesley ki subordinate alliance treaty

(2) Dalhousie's policy of Lapse.

(3) Dalhousie ke dwara rajon ke titles ko cancel kiya jana.

(4) Awadh ko hadpa jana.

Social & religious causes

- 1813 ke charter act me christian missionaries ko india me religious missionarism ki freedom
- right to heridity me amendment kiye jisse christianity converted hindus ko unki ancestral property se bedakhal nahi kiya ja skta.

- 1829 Sati pratha abolition act infanticide abolition

- 1856 Widow remarriage act

kuch aise laws the jinhone indian religious sensibilities to thes pahuchayi.

Soldier reasons

. Sainiko ko european soldiers ke comparison me less salary

unhe samudra par expedition mein africa abbhiyan jana

(Hindu samaaj me
manyta thi ki samudr
paar ko jane wale ka
dharm bhrast ho jata h.)

awadh area se laye no
sepoy soldiers the, annexation of
awadh ne in soldiers ko
company ke against ko diya.

1856 me ek naye prakaar ke
cartoos ki charcha hui jo
sainiko ko use karna tha

· aisa mana gaya ki isme
cow & pig ka fat h jise
use kone se 29 March 1857

· B vidroh kr te hue doadhikariyo

· mangal pandey 40 bandigang ko 8 Apr 1857

· dalhousie ke samay meerut

1857 ka revolution ki limited success (failure/) ke kai reason the

- jaise common objective ka na hona jisne ekta/unity me kami layi jo kisi bhi andolan ki success ke liye neccssary h.
- Strong leadership nahi hona.
- organised programme ka na hona.
- ek common platform ka nahi hona.
- jispar bebtar dhang se gaur na banaai ja skti thi.

kranti ka effect soldiers &
princely state me kuch states
tak limited reh jana,
educated middle class (common
ppl)
ka isse special judaav nahi
ho jana.

Dalhousie ke samay ek pramukh adivasi vidroh hua jise santhal vidroh k nam se jana jata h iske leaders Sindhu & kanhu the.

Charter act of 1853 me british company ko 20 yr ka extension nahi diya gaya tha.

1857 ki kranti ke takal bad hi bharat me rule company ko end kr diya tha

aur rule of crown or direct rule ki shuruaat ki gyi.

Rule of Crown 1858 se 1947 tk chalega jiske antargat kai prakar ke change kiye gaye jaise GG of india ab viceroy of India kehlaye jo india me crown ka representative hoga..
